Gostilna in pizzeria

Rogovišc

Priljubljeno gurmansko gostilno, ki se v pisnih virih prvič pojavi leta 1886, je ustanovila družina Vilfan. Sloves odlične tradicionalne slovenske kuhinje se je kmalu razširil po širšem področju, malokdo pa je vedel, da ima ravno Rogovilec najgloblji vodnjak v Črnučah.

V letu 2004 je gostilna ponudbo dopolnila tudi z odlično pizzerijo in poskrbela, da se tradicija nadaljuje v koraku s časom. V letu 2011 je gostilno prevzel kitajski podjetnik in jo isto leto kompletno prenovil. Gostilna od tedaj sledi svojim koreninam in slovesu dobre stare slovenske kulinarike.
